Oxus DeVilbiss Rotary Valve Replacement Instructions

Please read the following instructions prior to use:

- *Each Oxus valve is leak and performance tested to meet or exceed OEM concentrator performance specifications.*

Oxus valves require return of an acceptable core within 3 weeks of shipment:

- *Cores consist of any original OEM parts and/or any out-of-warranty Oxus refurbished parts only. Damaged or unusable cores will not be credited.*
- *Please include all components, including the stepper motor, with the valve being returned to Oxus.*
- *Return valve cores in the same packaging as sent by Oxus:*
 - *Individual box or 20 pack box with divider and foam pad on bottom and top*
 - *Each valve must be placed into provided ESD Bag*
 - *The motor will be damaged if original packaging is not used*
- *Ship Core returns to:*
Oxus America, 175 Kay Industrial Dr. Orion Twp., MI 48359

Oxus DeVilbiss Rotary Valve Replacement Instructions

An RMA (Return Material Authorization) is required prior to return of the product to Oxus for repair, credit or replacement:

- All Oxus DeVilbiss Rotary valves come with a 1 year warranty against wear, cracks and workmanship.*
- Prior to return of the warranted product, contact Oxus through our designated RMA portal at www.oxusamerica.com to initiate an RMA*
- If applicable, Oxus will generate and provide an RMA number based on the ship date. The Oxus RMA number represents acknowledgment for return and tracking of product and does not guarantee warranty replacement.*
- RMAs should be shipped in a manner which provides protection. Valves damaged in shipment due to improper packaging will not be covered.*
- The RMA number must be included on any shipping documentation and on the outside of the shipping container.*
- Ship RMAs to:
Oxus America, 175 Kay Industrial Dr. Orion Twp., MI 48359*
